NO EXIT for NORTHBOUND WIDE LOAD TRUCKS at the COMMERCIAL BOULEVARD TOLL PLAZA (EXIT 62)

FT. LAUDERDALE, FL (January 28, 2009) – Effective immediately wide load trucks heading northbound on Florida's Turnpike cannot exit at the Commercial Boulevard Toll Plaza. Northbound wide load truck drivers must use Coconut Creek (Exit 67) or Sunrise Boulevard (Exit 58) as their alternates.

Currently there are message boards set up along the northbound lanes of the Turnpike advising wide load truck drivers of the limitation. This limitation is temporary as one of the lanes exiting the Commercial Boulevard Toll Plaza will be closed around the clock, creating narrower neighboring lanes.
