TURNPIKE SUSPENDS TOLLS ON MOST OF MAINLINE, ALLIGATOR ALLEY AS WELL AS OTHER SYSTEM ROADS IN CENTRAL FLORIDA

(FORT LAUDERDALE) — As part of the ongoing effort to prevent traffic delays and facilitate evacuations due to the expected arrival of Hurricane Matthew, officials announced tolls will be suspended on the following roadways beginning at **8pm** Wednesday, October 5:

In South Florida-

- Turnpike Mainline, SR 91 between Hard Rock Stadium (Exit 2X) and the northern terminus of the Turnpike near Wildwood (Milepost 309).
- Both Directions of Alligator Alley between Broward and Collier County.
- Sawgrass Expressway in both directions in Broward County.

In Central Florida-

- Toll 417 (Seminole Expressway).
- Toll 408 (Holland East-West Expressway).
- Toll 429 (Western Beltway).
- Toll 570 (Polk Parkway) in Lakeland.
- Osceola Parkway in Osceola County.

Tolls remain suspended on both directions of toll 528, Beachline Expressway between I-4 and US 1.

Motorists are advised to obey directional signs posted in advance of toll plazas and exercise caution when approaching the plaza structure. Tolls will be reinstated once the storm has passed and a damage assessment has been completed.
