New SunPass® Customer Surprised with \$500.00 in Toll Credits Florida's Turnpike Enterprise and MacDonald Training Center, Inc. Celebrate Partnership

OCOEE — Located in Tampa, Florida, MacDonald Training Center, Inc. has been packaging SunPass transponders for Florida's Turnpike Enterprise (Florida's Turnpike) since 2007. On October 26, 2016, MacDonald Training Center packaged the 10 millionth SunPass transponder at a celebration event at their facility involving employees, organizational leadership and local dignitaries. Florida's Turnpike was recently notified when the 10 millionth transponder was activated and surprised the new SunPass customer with a prize of \$500.00 in toll credits in March 2017. J. Ouellette of Oviedo, FL was the gracious recipient of this prize. She stated, "I was excited to learn I had won \$500.00 in toll funds because I had been the purchaser of the 10 millionth packaged transponder. I was equally excited to learn that these transponders are packaged at a facility that employs people with disabilities."

Since 1953 MacDonald Training Center, Inc. has served adults with disabilities throughout the Tampa Bay area by offering a wide variety of options and opportunities, including community living, employment services, vocational skills and life enrichment activities.

Their mission is to empower people with disabilities to lead the lives they choose. Individuals working on the SunPass transponder packaging contract receive competitive wages and have successfully transitioned to outside employment and meaningful careers.

SunPass is Florida's Turnpike's innovative Prepaid Toll Program. SunPass customers enjoy the ease and convenience of electronic tolling on all toll roads and most bridges throughout Florida. SunPass customers always pay the lowest toll rate. Since the SunPass program began in 1999, more than 14 million transponders have been activated.
