### **Two Right Southbound Lanes of Florida's Turnpike Between South of SR 50/Clermont (Exit 272) and North of SR 429 (Exit 267A) in Orange County Temporarily Closed for Pavement Repairs**

**Ocoee, Fla.** – Two outside (right) southbound lanes of Florida's Turnpike between SR 50/Clermont (Exit 272) and SR 429/Apopka/Tampa (Exit 267A) in Orange County will remain temporarily closed until further notice for pavement repairs. Motorists can expect delays and are encouraged to seek alternate routes through the area.

- Southbound Florida's Turnpike motorists should exit at SR 50/Clermont (Exit 272), follow SR 50 east for approximately 5.5 miles to access Florida's Turnpike.

The two inside (left) southbound lanes of Florida's Turnpike will remain open to traffic during this closure.

This emergency closure is necessary to perform unforeseen pavement repairs. Florida's Turnpike Enterprise is working to determine the cause of the pavement issue.
