Extended Closure of One Lane of the Southbound Turnpike Exit Ramp to Bird Road **Starting at 10 p.m. Sunday, January 27 and the lane will reopen in the Spring of 2020**

MIAMI —Florida's Turnpike Enterprise is scheduled to temporarily close one of the two lanes of the southbound Florida's Turnpike exit ramp to Bird Road starting at 10 p.m. Sunday, January 27. The lane is scheduled to reopen in the Spring of 2020. This closure will allow crews to safely reconstruct this area of the exit ramp.

The southbound extended single lane closure will begin just south of the Coral Way bridge over the Turnpike and will end prior to the overhead toll gantry on the exit ramp to Bird Road. One southbound lane leading into the Bird Road exit ramp will remain open at all times.

This work is part of the Turnpike's ongoing widening project on Florida's Turnpike between Sunset Drive to Bird Road/SW 40th Street. Please note that this schedule may change due to inclement weather or other unforeseen conditions.
