

DESIGN PUBLIC INFORMATION MEETING ANNOUNCEMENT

Florida's Turnpike (SR 91) Widening with Express Lanes
from US 192/US 441 to North of Osceola Parkway in Osceola County, Florida
Financial Project ID# 436194-1

The Florida Department of Transportation (FDOT), Florida's Turnpike Enterprise (FTE), will conduct a Design Public Information Meeting for the proposed improvements to Florida's Turnpike (SR 91) from US 192/US 441 to North of Osceola Parkway in Osceola County, Florida. The meeting will be held on Tuesday, August 22, 2017 at Osceola Heritage Park, Exhibition Building, St. Cloud Room B, 1901 Chief Osceola Trail, Kissimmee, FL 34744. The meeting will be conducted as an informal open house from 5:30 pm to 7:30 pm at which time the public may review maps, drawings, and other pertinent information developed by FDOT. If the meeting cannot be held on August 22, 2017 due to severe weather or other unforeseen conditions, it will be held on the alternate date of September 5, 2017 at the same time and place.

The proposed improvements consist of widening Florida's Turnpike (SR 91) from four to eight lanes including two express lanes in each direction, roadside safety enhancements, and interchange and intersection capacity improvements including new SunPass only ramps.

This Design Public Information Meeting is being conducted to give interested persons an opportunity to express their views concerning the design of the proposed improvements.

Persons wishing to submit comments, in place of or in addition to written comments at the Public Information Meeting, may do so by sending them to Steve Soldati at the contact information below.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act (ADA) or persons who require translation services (free of charge) should contact Steve Soldati, at least seven (7) days prior to the public meeting.
