Florida's Turnpike Resurfacing Project from south of Atlantic Avenue to North of Boynton Beach Boulevard Begins on Sunday, September 8

Palm Beach County, Fla. – [Florida's Turnpike](#) is scheduled to begin a resurfacing project from Atlantic Avenue to Boynton Beach Boulevard, on Sunday, September 8. In addition, the following ramps will be resurfaced:

- Northbound entrance ramp from Atlantic Avenue
- Southbound exit ramp to Boynton Beach Boulevard/SR 804 (Exit 86)

It is anticipated that these improvements will cost \$10.2 million and construction is expected to be completed in 2020. Please note, this schedule may change due to inclement weather or unforeseen conditions.

Efforts will be made to minimize traffic and noise disruptions, but lane closures, ramp closures and detours will be necessary. Closures will generally take place during off-peak hours and will be announced in advance in the Turnpike's weekly traffic advisory.

For more information about this project, call 1-800-749-PIKE or go to www.floridasturnpike.com. Drivers may dial 5-1-1 for real-time traffic information or visit www.fl511.com before traveling.
