CLOSING – One lane of Northbound Florida's Turnpike at Consulate Drive Overpass (Milepost 255)

Long-term, temporary closure beginning at 10 p.m., Thursday, April 5

OCOEE —The Florida Department of Transportation (FDOT) has scheduled a long-term, temporary closure of the northbound inside lane on Florida's Turnpike in the vicinity of the Consulate Drive overpass at Milepost 255. To facilitate bridge construction, this closure begins at 10 p.m. Thursday, April 5, and will continue around the clock until mid-summer. Three lanes will remain open to traffic.

This work is part of the ongoing Beachline Expressway widening project. The roadway is being widened from four to eight lanes between I-4 and Florida's Turnpike, and from six to eight lanes between Florida's Turnpike and McCoy Road. The \$174 million Beachline Expressway widening project began in Spring 2017 and is expected to be completed in late 2019. Please note that this schedule may change due to inclement weather or other unexpected conditions.

For more information about this project, call 1-800-749-PIKE or go to www.FloridasTurnpike.com. Drivers may dial 5-1-1 for real-time traffic information or visit www.FL511.com before traveling. They may also follow @FLTurnpikeSFL on Twitter.
