## **Nightly Closure of Florida's Turnpike Northbound Exit Ramp to Glades Road** Traffic will be detoured from 9 p.m. Sunday, June 25 to 5 a.m. Monday, June 26

FORT LAUDERDALE — The Florida Department of Transportation (FDOT) has scheduled the closure of the Florida's Turnpike northbound exit ramp to Glades Road (Exit 75) to allow crews to continue ramp construction activities in this area. In order to complete this work safely, traffic will be detoured during the following dates and times:

- Florida's Turnpike northbound exit ramp to Glades Road will be closed from 9 p.m. Sunday, June 25 to 5 a.m. Monday, June 26. Motorists will be detoured to exit northbound Turnpike at Sample Road (Exit 69), travel east on Sample Road and north on Powerline Road to Glades Road. If necessary to complete this work, this ramp will also close nightly from 9 p.m. to 5 a.m. Monday, June 26 through Thursday, June 29.

Following the completion of this ramp closure, traffic on the northbound exit ramp to Glades road will be shifted to the newly constructed portion of the ramp for approximately four months. This temporary traffic shift will allow crews to continue construction activities in this area.

This work is part of an ongoing \$8.3 million interchange improvement project at Glades Road and Florida's Turnpike in Boca Raton. Please note that this schedule may change due to inclement weather or other unexpected conditions.
