Nightly Lane Closures Scheduled at the Sunrise Boulevard and Florida's Turnpike Interchange
Closures from 11 p.m. to 5 a.m. Tuesday, May 23 to Thursday, May 25

FORT LAUDERDALE — The Florida Department of Transportation (FDOT) has scheduled double lane closures on eastbound and westbound Sunrise Boulevard at the Turnpike interchange. These closures are necessary to allow crews to remove and replace traffic signals at these intersections. In order to perform this work safely, traffic will be affected during the following dates and times:

- Two lanes of Sunrise Boulevard, in each direction, will be closed nightly from 11 p.m. to 5 a.m. from Tuesday, May 23 to Thursday, May 25. One lane in each direction will remain open at all times. Between the hours of 1 a.m. and 4 a.m., traffic will be stopped for periods of ten minutes or more while traffic signals are being installed. Law enforcement will be on-site to direct motorists. Motorists are encouraged to seek alternate routes while this work is being performed.

Please note, this schedule may change due to inclement weather or other unexpected conditions.

This work is part of the ongoing Sunrise Boulevard Interchange Modifications project at Florida's Turnpike. For more information about this project, call 1-800-749-PIKE or go to www.Floridasturnpike.com. Drivers may dial 5-1-1 for real-time traffic information or visit www.FL511.com before traveling. They may also follow @fl511_Turnpike on Twitter.
