NEW TRAFFIC PATTERN

Northbound Florida's Turnpike Entrance Ramp from SW 117th Avenue/SW 152nd Street To Open in a New Configuration the Morning of **Friday, July 12**

Miami, Fla. – The Florida Department of Transportation announces the opening of a new northbound entrance ramp to Florida's Turnpike mainline and SR 874/Don Shula Expressway from SW 117th Avenue/SW 152nd Street on the morning of Friday, July 12.

This new ramp will allow motorists traveling on SW 117th Avenue/SW 152nd Street direct access to northbound Florida's Turnpike or northbound SR 874 without merging into the Turnpike mainline.

Motorists wishing to access northbound Florida's Turnpike can do so from either of the two ramp lanes. Motorists wishing to access northbound SR 874 must do so from the left ramp lane.

Due to this new configuration, motorists using the new entrance ramp to northbound Florida's Turnpike will no longer be able to exit at SW 120th Street (Exit 19). Motorists wishing to access SW 120th Street will have to continue north on SW 117th Avenue to SW 120th Street.

Overhead signs, portable message signs and pavement markings will be installed along the new ramps to provide motorists with advanced notification.

This work is part of the ongoing widening project on Florida's Turnpike between Eureka Drive/SW 184th Street and Killian Parkway/SW 104th Street. Please note that this schedule may change due to inclement weather or other unforeseen conditions.

For more information about this project, call 1-800-749-PIKE or go to floridasturnpike.com. Drivers may dial 5-1-1 for real-time traffic information or visit fl511.com before traveling. They may also follow [@FLTurnpikeSFL](https://twitter.com/FLTurnpikeSFL) on Twitter.
