Several Florida's Turnpike Toll Plazas Converting to All-Electronic Tolling Starting at 7 p.m. on Friday, March 15

BROWARD COUNTY —Florida's Turnpike will soon be implementing All-Electronic Tolling at several toll plazas in Broward County. Beginning at 7 p.m. on Friday, March 15, tolls will be collected electronically at the following locations:

- Commercial Boulevard (Exit 62)
- Cypress Creek Mainline Toll Plaza (mile post 63)
- Coconut Creek Parkway (Exit 67)
- Sample Road (Exit 69)

This means that cash will no longer will be accepted at these locations and tolls will be collected electronically using a SunPass, other interoperable transponder, or TOLL-BY-PLATE. Removing cash toll collections will improve safety and All-Electronic Toll collection saves customers time and money. It also benefits the environment by reducing air pollution and fuel consumption. Once the conversion is complete, all toll collection on the Turnpike in Miami-Dade and Broward Counties will be All-Electronic.

Please note, this schedule may change due to inclement weather or other unforeseen conditions.

The SunPass Mini transponder costs \$4.99 and is available at thousands of retail locations including Publix Super Markets, CVS Pharmacy, Walgreens, Navarro Discount Pharmacies, Sedano's Supermarkets, Amscot, all AAA locations in Florida, Florida Welcome Centers, all Turnpike service plaza gift shops and Turnpike convenience stores. It is also available at www.SunPass.com and at 1-888-TOLL-FLA (865-5352).

For more information about this project, call 1-800-749-PIKE or go to www.floridasturnpike.com. To become a SunPass customer or to learn more about the SunPass program go to www.sunpass.com. Drivers may dial 5-1-1 for real-time traffic information or visit www.fl511.com before traveling. They may also follow [@FLTurnpikeSFL](https://twitter.com/FLTurnpikeSFL) on Twitter.
