Southbound Florida's Turnpike Exit Ramp to SW 152nd Street and SW 117th Avenue Opens in New Location Drivers to use Florida's Turnpike Exit 18 beginning Tuesday, December 11

MIAMI — Florida's Turnpike is scheduled to open the new southbound exit ramp serving Coral Reef Drive/SW 152nd Street and SW 117th Avenue to traffic on Tuesday, December 11.

The new exit ramp from southbound Florida's Turnpike to Coral Reef Drive/SW 152nd Street and SW 117th Avenue is located approximately one mile north of its current location. The ramp is now identified with a new exit number, Exit 18. The ramp was previously identified as Exit 16. Overhead signs have been installed along the corridor to reflect the ramp changes and new exit number. **Motorists will no longer see signs for Exit 16 along southbound Florida's Turnpike.**

Motorists on southbound Florida's Turnpike who miss the new southbound Florida's Turnpike exit to Coral Reef Drive/SW 152nd Street and SW 117th Avenue must continue south on Florida's Turnpike and exit at Eureka Drive (Exit 13) to turn around and travel north on the Turnpike to access Coral Reef Drive/SW 152nd Street (Exit 16). Motorists on southbound State Road (SR) 874/Don Shula Expressway wishing to exit to Coral Reef Drive/SW 152nd Street must exit at the designated exit from SR 874 to Coral Reef Drive/SW 152nd Street. Motorists on southbound SR 874 will no longer be able to access Coral Reef Drive/SW 152nd Street from Florida's Turnpike.

This work is part of an ongoing widening project on Florida's Turnpike between Eureka Drive/SW 184th Street and Killian Parkway/SW 104th Street. Please note this schedule may change due to inclement weather or other unforeseen conditions.

For more information about this project, call 1-800-749-PIKE or go to www.Floridasturnpike.com. Drivers may dial 5-1-1 for real-time traffic information or visit www.FL511.com before traveling. They may also follow @FLTurnpikeSFL on Twitter.
