Southbound Exit Ramp to SW 152nd Street and SW 117th Avenue Opens in New Location Drivers to use Florida's Turnpike Exit 18 beginning Thursday, June 28

MIAMI — Beginning on Thursday, June 28th, the Florida Department of Transportation (FDOT) is scheduled to open the new southbound Turnpike exit ramp serving Coral Reef Drive/SW 152nd Street and SW 117th Avenue traffic, in its final configuration.

The location of the exit ramp from southbound Turnpike will be relocated approximately one mile north of its current location, with a new exit number, Exit 18. Overhead signs have been installed along the corridor to reflect the ramp changes and new exit number. Motorists will no longer see signs for Exit 16 along the southbound Turnpike. Motorists who miss Exit 18 from the Turnpike or SR 874 will have to continue south to exit at Eureka Drive (Exit 13), then return to northbound Turnpike and exit at Coral Reef Drive/SW 152nd Street.

This work is part of an ongoing widening project on Florida's Turnpike between Killian Parkway and Eureka Drive.

Please note that this schedule may change due to inclement weather or other unforeseen conditions.
