OCOEE — Florida's Turnpike has scheduled an overnight full closure of I-75 southbound at Exit 329 in Wildwood to allow construction crews to perform emergency repairs near the interchange with Florida's Turnpike. To perform this work safely, traffic will be detoured during the following dates and times:

- **All I-75 southbound lanes at SR 44 (Exit 329) will be closed from 12:30 a.m. to 4:30 a.m., Friday, February 15.**
 - Motorists traveling southbound on I-75 wishing to access Florida's Turnpike will be directed to exit at SR 44 (Exit 329), travel east on SR 44 to US 301 and travel south on US 301 to access Florida's Turnpike.
 - Motorists on southbound I-75 wishing to continue south on I-75 will be directed to exit I-75 at SR 44 (Exit 329), travel east on SR 44 to US 301, travel south on US 301 to CR 470 and travel west on CR 470 to access southbound I-75.

Please note that this schedule may change due to inclement weather or other unforeseen conditions. This work is part of the ongoing \$68.5 million project to widen and improve the I-75 interchanges with Florida's Turnpike and SR 44. Work is expected to be complete in 2019.
