Sunrise Boulevard Interchange Converting to All-Electronic Tolling at 5:30 a.m. on Saturday, November 10

FORT LAUDERDALE — Florida's Turnpike Enterprise is improving the Turnpike Interchange at Sunrise Boulevard and will be implementing All-Electronic Tolling (AET) at this interchange. This means that beginning at 5:30 a.m. on Saturday, November 10, 2018, cash will no longer be accepted at this interchange and tolls will be collected electronically using a SunPass®, other interoperable transponder, or TOLL-BY-PLATE.

Motorists will also experience the opening of a newly constructed exit ramp from northbound Florida's Turnpike to eastbound Sunrise Boulevard. This new exit ramp will help lessen congestion by reducing the number of vehicles driving through the existing toll plaza.

Construction on this project began in late 2015 and is anticipated to be completed in late 2019. Please note, this schedule may change due to inclement weather or other unforeseen conditions.

For more information about this project, call 1-800-749-PIKE or go to www.Floridasturnpike.com. Drivers may dial 5-1-1 for real-time traffic information or visit www.FL511.com before traveling. They may also follow [@FLTurnpikeSFL](https://twitter.com/FLTurnpikeSFL) on Twitter.
