## **Two Northbound Lanes of Florida's Turnpike at PGA Boulevard in Palm Beach County to Close Nightly**

PALM BEACH COUNTY — Florida's Turnpike Enterprise is scheduled to temporarily close two northbound lanes of Florida's Turnpike between Beeline Highway and PGA Boulevard in Palm Beach County nightly from 9 p.m. to 5:30 a.m. starting on Wednesday, November 28. These lane closures are anticipated to be in place for approximately two to three weeks. The outside eastbound lane on the PGA Boulevard bridge over Florida's Turnpike will remain closed until the repairs are completed. Two eastbound lanes and all westbound lanes on PGA Boulevard will remain open.

These closures are necessary to perform emergency repairs to the PGA Boulevard bridge over Florida's Turnpike. One lane of northbound Florida's Turnpike and the northbound exit ramp to PGA Boulevard will remain open for through traffic during these nightly closures.

Please note that this schedule may change due to inclement weather or other unforeseen conditions.
