

**AET PHASE 5A TURNPIKE MAINLINE  
ALL-ELECTRONIC TOLL CONVERSION PROJECT  
CONSTRUCTION UPDATE**

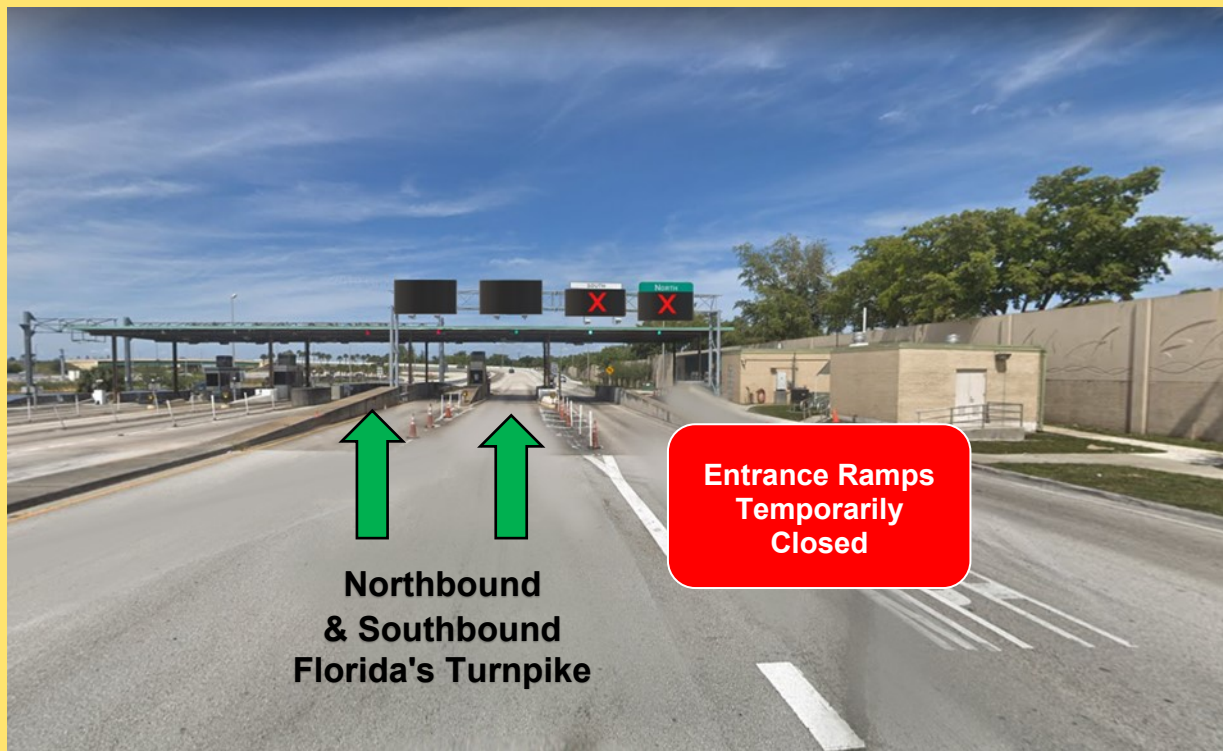

On Saturday, October 12, access to the northbound Florida's Turnpike entrance ramp from Commercial Boulevard will temporarily shift to the left two ramp lanes, as part of the next construction phase for this project. This traffic pattern will be in effect for approximately four to five months.

During this time, motorists wishing to access northbound or southbound Florida's Turnpike from Commercial Boulevard must use the left two ramp lanes.

This schedule may change due to inclement weather or unforeseen circumstances.

At Florida's Turnpike we thank you in advance for your patience and understanding while we complete this project.
