

Construction Alert

Widening of Florida's Turnpike/SR 91 from North of Boynton Beach Boulevard to North of Lake Worth Road

As part of the widening project along Florida's Turnpike from north of Boynton Beach Boulevard to north of Lake Worth Road, construction activities adjacent to the Embark at Lake Worth and Willow Bend communities has begun.

Construction crews are working within the Turnpike and Lake Worth drainage districts right of way in the canal on the west side of your communities which may include removal of vegetation, excavation of the canal channel and reshaping or reconstruction of the canal bank.

Sound wall construction located adjacent to northbound Florida's Turnpike (on the west side of the canal) will begin after the canal work has been completed, in approximately six months.

Please be assured that efforts will be made to limit disruptions for the residents near the construction area. This schedule may change due to inclement weather or unforeseen circumstances.
