

CONSTRUCTION ALERT

Florida's Turnpike has scheduled nightly closures of all eastbound and westbound lanes on W. Flagler Street beneath Florida's Turnpike. These temporary closures will allow crews to continue bridge construction in this area. To complete this work safely, traffic will be detoured during the following dates and times:

All eastbound lanes of W. Flagler Street beneath Florida's Turnpike will be closed nightly from 10 p.m. to 6 a.m. Wednesday, March 20 and Thursday, March 21. If necessary to complete this work, this closure will also occur from 10 p.m. to 6 a.m. Sunday, March 24.

- Traffic wishing to continue on eastbound W. Flagler Street will be directed to travel south on SW 118th Avenue, travel west on SW 2nd Street, travel south on SW 122nd Avenue, travel east on SW 8th Street and travel north on SW 107th Avenue to access W. Flagler Street.

All westbound lanes of W. Flagler Street beneath Florida's Turnpike will be closed nightly from 10 p.m. to 6 a.m. Wednesday, March 20 and Thursday, March 21. If necessary to complete this work, this closure will also occur from 10 p.m. to 6 a.m. Sunday, March 24.

- Traffic wishing to continue westbound on W. Flagler Street will be directed to travel south on SW 107th Avenue and travel west on SW 8th Street beneath the Turnpike to access areas west of Florida's Turnpike.

Please note that this schedule may change due to inclement weather or other unforeseen conditions. Should you have any questions about the project, please contact Fiorella Teodista at 954-934-1130 or fiorella.teodista@dot.state.fl.us.
