

All-Electronic Tolling (AET) Conversion Project 5C

Florida's Turnpike from Sawgrass Expressway to Lantana Toll Plaza
in Palm Beach County

– Project Has Begun –

Project Description

Florida's Turnpike began the All-Electronic Tolling (AET) construction project from Sawgrass Expressway to south of the Lantana Toll Plaza on Monday, December 2.

With AET, cash toll collection will be removed from the following interchanges:

- Glades Road (Exit 75)
- Atlantic Avenue (Exit 81)
- Boynton Beach Boulevard (Exit 86)

Construction and Traffic Impacts

Florida's Turnpike takes steps to reduce construction impacts. Travel lane closures and detours will generally take place during off-peak hours to minimize traffic congestion and delays for most drivers.

Nearby residents and businesses may experience periodic construction noise, vibration and dust.

Schedule and Funding

Construction Schedule

Work began this fall and is anticipated to be completed in 2022.

Cost and Funding

The project cost is approximately \$19.5 million. This project is funded by toll and concession revenue, and not taxes.
