

AET Phase 5A Florida’s Turnpike from I-595 to South of Lantana Toll Plaza All Electronic Tolling Conversion Project

– **Project Has Begun** –

Project Description

- Conversion of the Turnpike System to All-Electronic Tolling (AET) from I-595 to south of the Lantana Toll Plaza
- Cypress Creek Toll Plaza (mile post 63) will be replaced with a new Pompano Beach Mainline Toll Plaza (mile post 65)
- Cash toll collections will be removed at the following interchanges once the new electronic tolling sites open
 - Commercial Boulevard
 - Coconut Creek Parkway
 - Sample Road
- Tolls will be collected electronically with a SunPass, other interoperable transponder or TOLL-BY-PLATE
- Improvements include new signage, drainage and lighting along the Turnpike and connecting roadways

Construction and Traffic Impacts

Construction will take place during both daytime and nighttime hours. Lane closures will generally take place during off peak hours to minimize traffic congestion and delays for most drivers.

Efforts will be made to limit traffic and noise disruptions, but lane closures, ramp closures and detours will be necessary to accomplish the improvements.

Closures will be announced in advance in the Florida’s Turnpike weekly traffic advisory.

Schedule and Funding

Construction Schedule

Work began in June 2018 and continue through summer 2020.

Cost and Funding

The project cost is approximately \$20 million. This project is funded by toll and concessions revenue.
