

Florida's Turnpike Resurfacing and Roadside Improvement Project From Three Lakes Toll Plaza to Kissimmee Park Road (Mileposts 234 to 238)

Project Description

Florida's Turnpike Enterprise (FTE) is scheduled to begin a resurfacing and roadside improvement project along Florida's Turnpike in Osceola County on March 2, 2020.

This project consists of resurfacing a four-mile segment of Florida's Turnpike/State Road (SR) 91 from south of the Three Lakes Toll Plaza to south of Kissimmee Park Road. Work also includes:

- Guardrail installation
- Signing improvements
- Pavement marking improvements

Construction and Traffic Impacts

FTE takes steps to reduce construction impacts. Travel lane closures and detours will generally take place during off-peak hours to minimize traffic congestion and delays for most drivers.

Closures will be announced in advance in Florida's Turnpike Central and West Central Florida Weekly Lane Closures and Work Zone Advisory.

Nearby residents and businesses may experience periodic construction noise, vibration and dust.

Schedule and Funding

Construction Schedule

Work will begin this winter and is anticipated to be completed in Fall 2020.

Cost and Funding

The project cost is approximately \$6.5 million.
