

**WIDENING FLORIDA'S TURNPIKE (SR 91) FROM NORTH OF
BOYNTON BEACH BOULEVARD TO NORTH OF LAKE WORTH ROAD
CONSTRUCTION BEGINS SOON**

PROJECT DESCRIPTION

- ◆ Widening Florida's Turnpike from two to three lanes in each direction between the Lantana Toll Plaza and the West Palm Beach Service Plaza
- ◆ Shifting Florida's Turnpike between Boynton Beach Boulevard and Lake Worth Road to the west to avoid utility conflicts
- ◆ Reconstructing Hypoluxo Road bridge over the Turnpike to allow new road configuration
- ◆ Improving signage, pavement markings, signalization, lighting and drainage
- ◆ Constructing sound walls along qualifying residential areas adjacent to Florida's Turnpike

CONSTRUCTION AND TRAFFIC IMPACTS

Florida's Turnpike takes steps to reduce construction impacts. Travel lane closures and detours will generally take place during off-peak hours to minimize traffic congestion and delays for most drivers.

Nearby residents and businesses may experience periodic construction noise, vibration and dust.

CONSTRUCTION SCHEDULE

Work is anticipated to begin fall 2019 and is expected to be completed in 2024.

COST AND FUNDING

The project cost is approximately \$168 million. This project is funded by toll and concession revenue, not taxes.
