NEW TRAFFIC PATTERN

Northbound Florida's Turnpike Exit 17 to MDX SR 874/Don Shula Expressway
 To Open in New Configuration the morning of **Sunday, April 28**

OVERVIEW

As part of the widening of Florida's Turnpike from north of Eureka Drive/SW 184th Street to south of Killian Parkway/SW 104th Street, the northbound Florida's Turnpike exit to MDX SR 874/Don Shula Expressway (Exit 17) will open in a new configuration the morning of **Sunday, April 28**.

PROJECT NEED AND BENEFITS

The Homestead Extension of Florida's Turnpike (HEFT) is a major urban expressway serving local, regional and statewide traffic. It is the main evacuation route for southern Miami-Dade County and the Florida Keys/ Monroe County. The ongoing and upcoming construction projects on the HEFT will improve mobility, relieve congestion and accommodate future growth in the area.

TIPS

- **Pay attention to overhead signs, portable message signs and pavement markings for directions.**
- Be patient and allow extra time to reach your destination, especially the first week of the new traffic pattern.
- Obey all posted signs and speed limits.
- **Stay informed!** Lane closures, detours and project information is posted weekly on the Department's website.
