

Construction Alert

Widening of Florida's Turnpike/SR 91 from North of Boynton Beach Boulevard to North of Lake Worth Road

As part of the widening project along Florida's Turnpike, the contractor will begin removing vegetation within the Turnpike's right-of-way adjacent to southbound Florida's Turnpike from north of Boynton Beach Boulevard to north of Lake Worth Road.

These activities will take place during daytime hours — between 7 a.m. and 7 p.m. — in an effort to minimize disruptions for you and your neighbors.

Please be aware that due to the nature of the construction activities, you may experience some noise while the work is taking place. Please be assured that efforts will be made to limit disruptions for the residents near the construction area.

At Florida's Turnpike, we thank you in advance for your patience and understanding while we complete this project
