

SEVERAL LOCATIONS ALONG FLORIDA'S TURNPIKE CONVERTING TO ALL-ELECTRONIC TOLLING STARTING AT 7 P.M. ON FRIDAY, MARCH 15

On March 15, 2019 starting at 7 PM, Florida's Turnpike will be implementing All-Electronic Tolling (AET) at the following locations in Broward County:

- Commercial Boulevard (Exit 62)
- Coconut Creek Parkway (Exit 67)
- Cypress Creek Mainline Toll Plaza (mile post 63)
- Sample Road (Exit 69)

This means that **cash will no longer be accepted** at these locations and tolls will be collected electronically using a SunPass, other interoperable transponder, or TOLL-BY-PLATE.

SunPass Advantages

- **Low toll rates** – SunPass customers pay the lowest toll rates available on most Florida toll roads and bridges.
- **SunPass works outside of Florida** – SunPass can be used on toll roads and express lanes in North Carolina and Georgia with more states coming soon.
- **Use your SunPass to pay for parking** – SunPass customers enrolled in “Easy Pay” can pay to park at designated SunPass Plus parking facilities such as Hard Rock Stadium in Miami, and Miami International, Fort Lauderdale-Hollywood International and Palm Beach International airports.
- **Avoid additional fees** – TOLL-BY-PLATE customers pay a higher toll rate plus a monthly \$2.50 administrative fee by invoice.
- **Ease of purchase** – Visit one of the 5,000 retail locations in Florida, including Publix Super Markets, CVS Pharmacy, Walgreens, Navarro Discount Pharmacies, Sedano's Supermarkets, Amscot, all AAA locations in Florida, Florida Welcome Centers, all Turnpike Service Plaza gift shops and Shell convenience stores, and is also available at SunPass.com and 1-888-TOLL-FLA (865-5352).
