

South Florida Dynamic Message Sign Improvement and Replacement Project

Between Florida's Turnpike and Sawgrass Expressway

Project Description

Florida's Turnpike is scheduled to begin a Dynamic Message Sign (DMS) Improvement and Replacement Project on Monday, February 17, 2020.

This project consists of installing DMS and Arterial Dynamic Message Signs (ADMS) along Florida's Turnpike in the following areas:

- Miami-Dade County
- Broward County
- Palm Beach County

This project will also install DMS and ADMS along Sawgrass Expressway in Broward County.

Construction and Traffic Impacts

Florida's Turnpike takes steps to reduce construction impacts. Travel lane closures and detours will primarily take place during off-peak hours to minimize traffic congestion and delays. Nearby residents and businesses may experience periodic construction noise, vibration and dust.

Schedule and Funding

Construction Schedule

Work will begin winter 2020 and is anticipated to be completed in 2021.

Cost and Funding

The project cost is approximately \$7.2 million. This project is funded by toll and concession revenue.
