

# SR 417 Widening from Aloma Avenue to SR 434 FPID: 417545-1

**March 2015**

---

## **Description:**

This project widens six miles of the Seminole Expressway/SR 417 from four lanes to eight travel lanes from the Orange County line (MP 37.706) to north of SR 434 (MP 44.599). The proposed improvements incorporate two Express Lane with a four foot buffer and noise walls within the project limits. It also includes interchange improvements and improvements to the existing ramp terminal intersections at Aloma/SR 426, Red Bug Lake, and SR 434.

## **Benefits:**

- Provides much needed capacity improvements, with two new travel lanes in each direction.
- Allows drivers a choice between the express lanes or the general toll lanes.

## **Status:**

This projects is scheduled for construction in FY 2016.

## **Investment:**

The Turnpike Enterprise has funded \$93 million for this project.
