Gas Tank Repairs at Canoe Creek Service Plaza

Mid and Premium Grade Gasoline unavailable

St. Cloud, Fla. — Florida's Turnpike Enterprise is scheduling temporary gas tank repairs at the Canoe Creek Service Plaza (milepost 229). These repairs are effective immediately and are expected to last three weeks.

During this time, mid and premium grade gasoline will be unavailable until the repairs are completed; however, regular gasoline will still be available. All other services offered at the plaza will not be impacted by these repairs.

For trip planning purposes, the closest plaza to Canoe Creek southbound is Fort Drum and the closest plaza northbound is Turkey Lake. For a map of our Service Plazas, please visit <http://www.floridasturnpike.com/travelerInfo.html>.
