

Chapter 29

Miscellaneous Highway Related Structures

The following are changes, additions or deletions to the January 2003, Topic #625-000-007, Plans Preparation Manual (PPM) - English, for use on Turnpike projects only:

29.1 Design of Overhead Sign Structures and Foundations

Add the following paragraph

All overhead sign structures shall be designed to accommodate 25% extra sign area than what is called for in the plans.

29.1.2 Overhead Signs in Rural Locations

Replace this section with the following

Overhead signs in rural locations shall be designed according to the criteria in Section 29.1.1: Overhead Signs in Urban Locations.
