

Chapter 3

Earthwork

The following are changes, additions or deletions to the January 2003, Topic #625-000-007, Plans Preparation Manual (PPM) - English, for use on Turnpike projects only:

3.5.9 Summary of Earthwork

Add the following paragraph

Specify and quantify material necessary to meet the drainage design requirements, such as select material beneath swales, on fill, designed to percolate runoff.
