

Widen Florida's Turnpike/SR 91

From North of Johnson Street to Griffin Road

FPID: 406095-4

Description

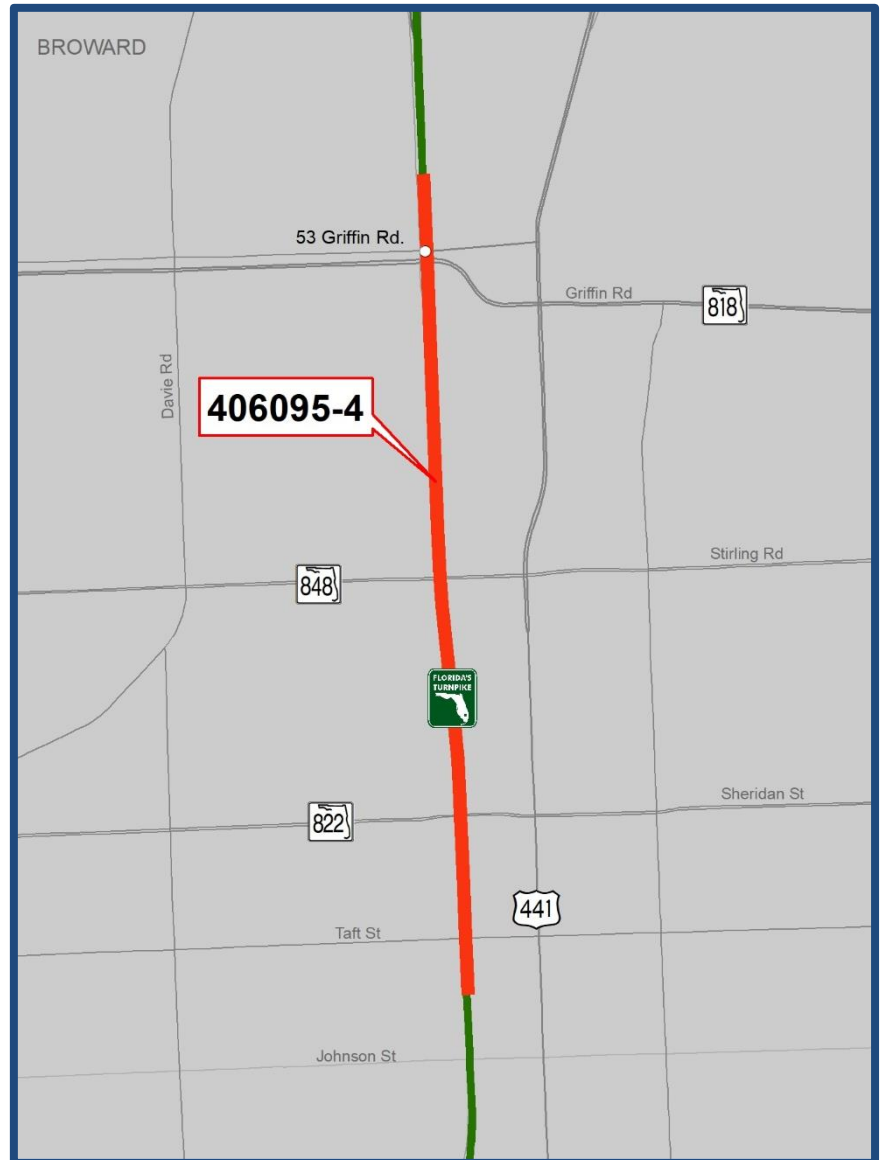

This project widens a three-mile segment of Florida's Turnpike Mainline north of Johnson Street to Griffin Road. This widening will increase the number of travel lanes from six to ten: two express lanes and three general toll lanes in each direction. This project includes pavement reconstruction, milling, resurfacing, bridge improvements, and stormwater drainage improvements. Interchange improvements at Griffin Road are also being included.

Project Status

This project is in Design.

Utilities are funded in Fiscal Year 2021.

Construction is not funded.
