

Widen Florida's Turnpike/SR 91

From West Palm Beach Service Plaza to Okeechobee Boulevard

FPID: 406143-5, -4

Description

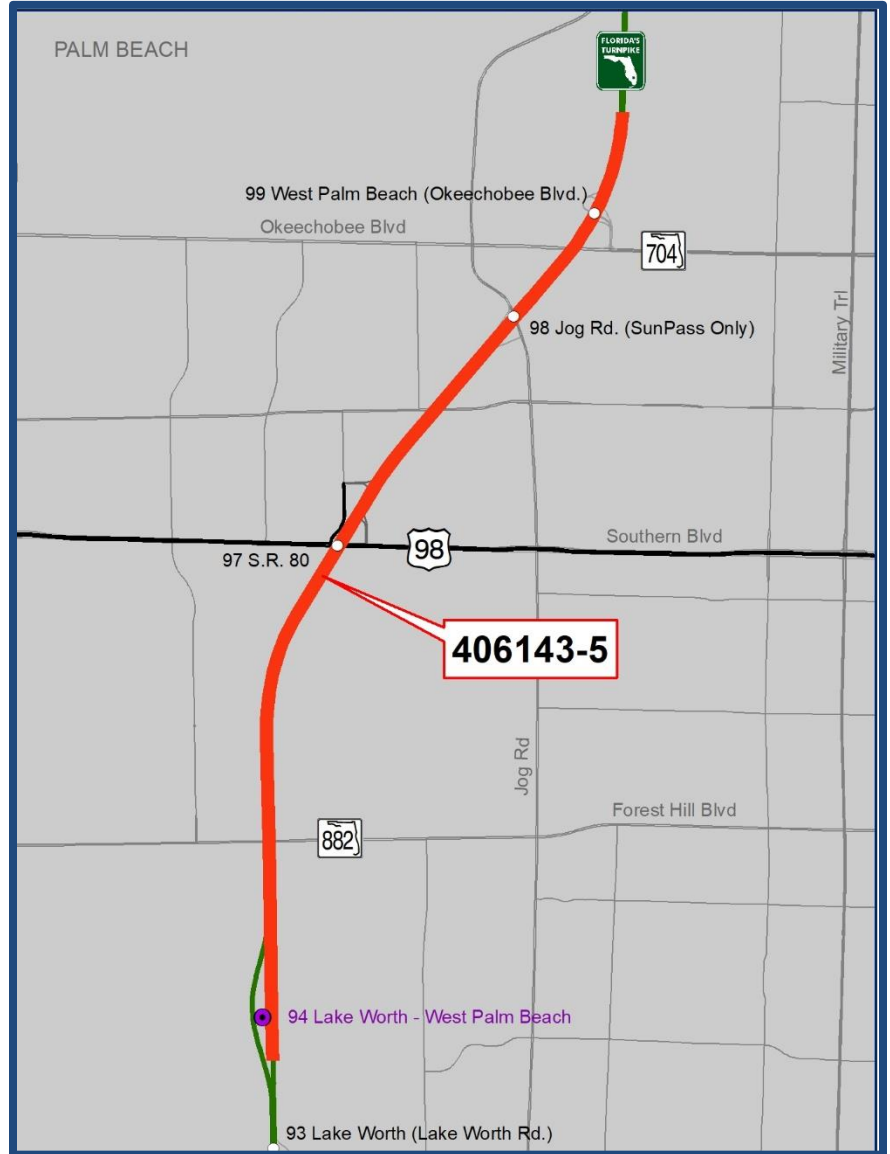

The project widens a seven-mile segment of the Turnpike Mainline / SR 91 between the West Palm Beach Service Plaza and north of Okeechobee Boulevard / SR 704. The widening will increase the number of travel lanes from four to eight, and includes infrastructure improvements to accommodate the future implementation of express lanes. Work includes pavement widening, reconstruction, milling and resurfacing, bridge improvements, stormwater drainage improvements, and noise walls in qualifying areas. Interchange improvements at Southern Boulevard / SR 80 (MP 97), Jog Road (MP 98), and Okeechobee Boulevard / SR 704 (MP 99) are also being evaluated.

Project Status

This project is in Design.

Right-of-Way is funded in Fiscal Year 2021.

Utilities and Construction are funded in Fiscal Year 2024..
