

Widen Florida's Turnpike/SR 91

From North of Glades Road to North of Atlantic Avenue
FPID: 417132-1

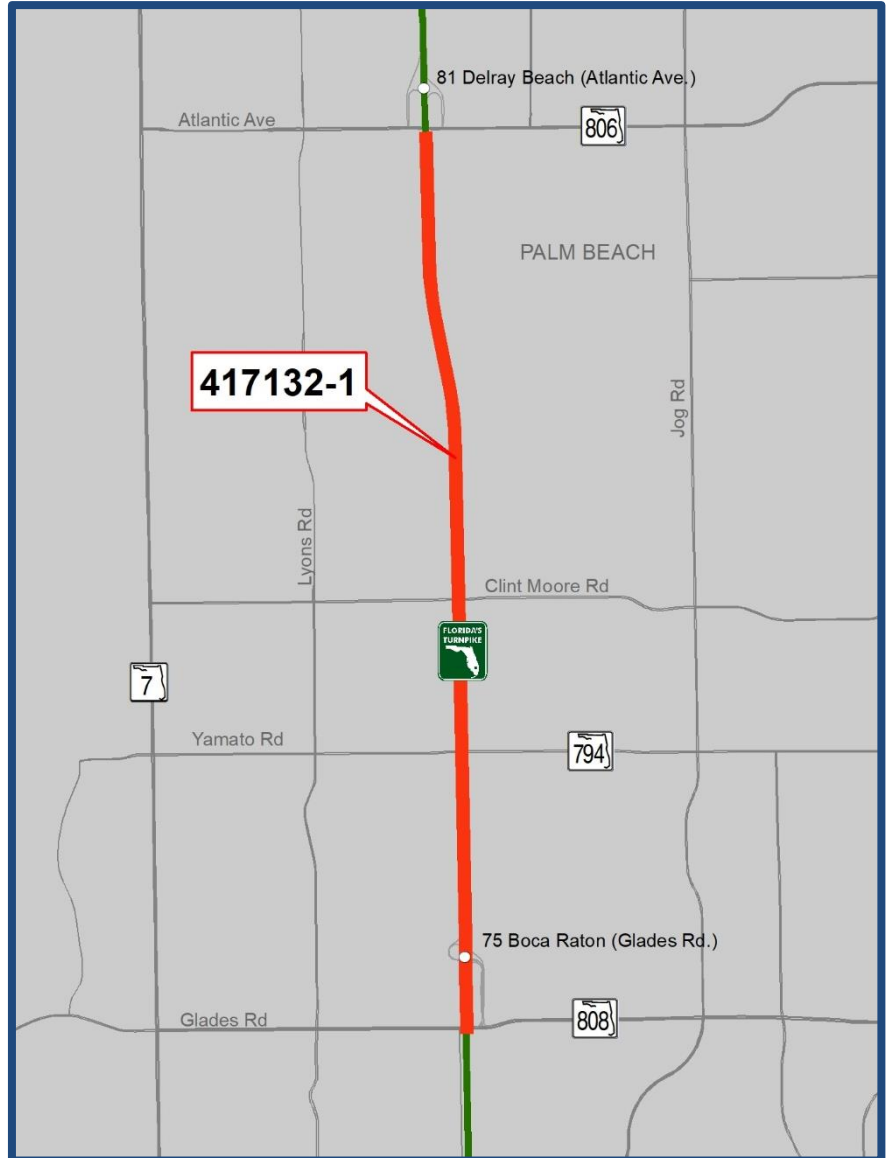

Description

The project widens a six-mile segment of the Turnpike / SR 91 between Glades Road and Atlantic Avenue. This widening will increase the number of travel lanes from six to ten: two express lanes and three general toll lanes in each direction. This project includes pavement reconstruction, milling, resurfacing, bridge improvements, stormwater drainage improvements and noise walls in qualifying areas.

Project Status

This project is in Design.

Future phases, including Construction, are not funded.
