

Widen Seminole Expressway/SR 417

From Aloma Avenue to SR 434

FPID: 417545-1

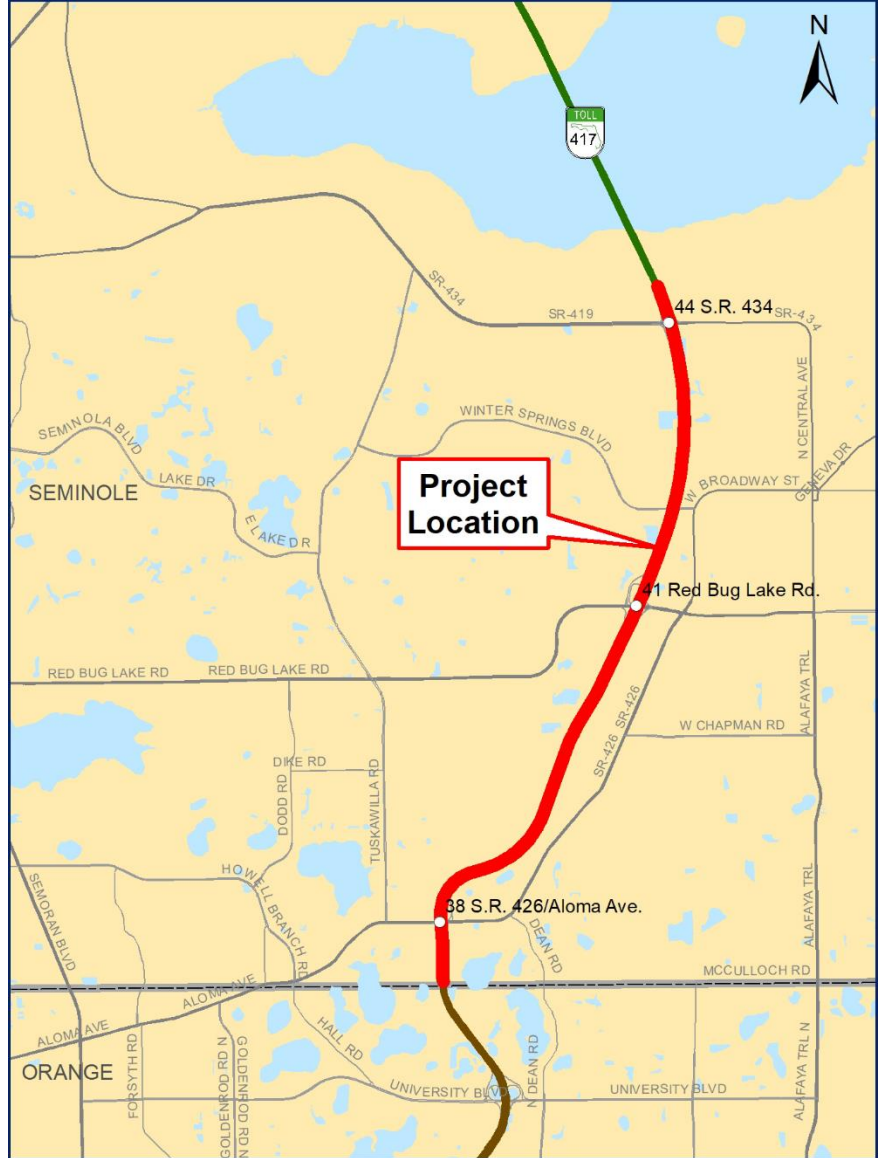

Description

This project widens a six-mile section of SR 417 Seminole Expressway from Aloma Avenue (SR 426) to SR 434 in Seminole County. The widening project will increase the number of travel lanes from four to eight and with accommodations for future express lanes. Additional work includes pavement milling and resurfacing, new drainage ponds, bridge widening, bridge reconstruction and roadside safety enhancements.

Project Status

Design is funded for Fiscal Year 2021.

Construction is not funded.
