

Widen Sawgrass Expressway/SR 869

from South of Sunrise Boulevard to South of Atlantic Boulevard
FPID: 437155-1

Description

This project widens a six-mile segment of the Sawgrass Expressway / SR 869 from South of Sunrise Boulevard to South of Atlantic Boulevard. This widening will increase the number of travel lanes from six to ten: two express lanes and three general toll lanes in each direction. As part of the project a new interchange connecting to the express lanes to the north will be included at NW 8th Street in the City of Sunrise. This project also includes pavement reconstruction, interchange modifications, pavement milling and resurfacing.
