

Widen Florida's Turnpike/SR 91

From North of Atlantic Avenue to North of Boynton Beach Boulevard

FPID: 437169-1

Description

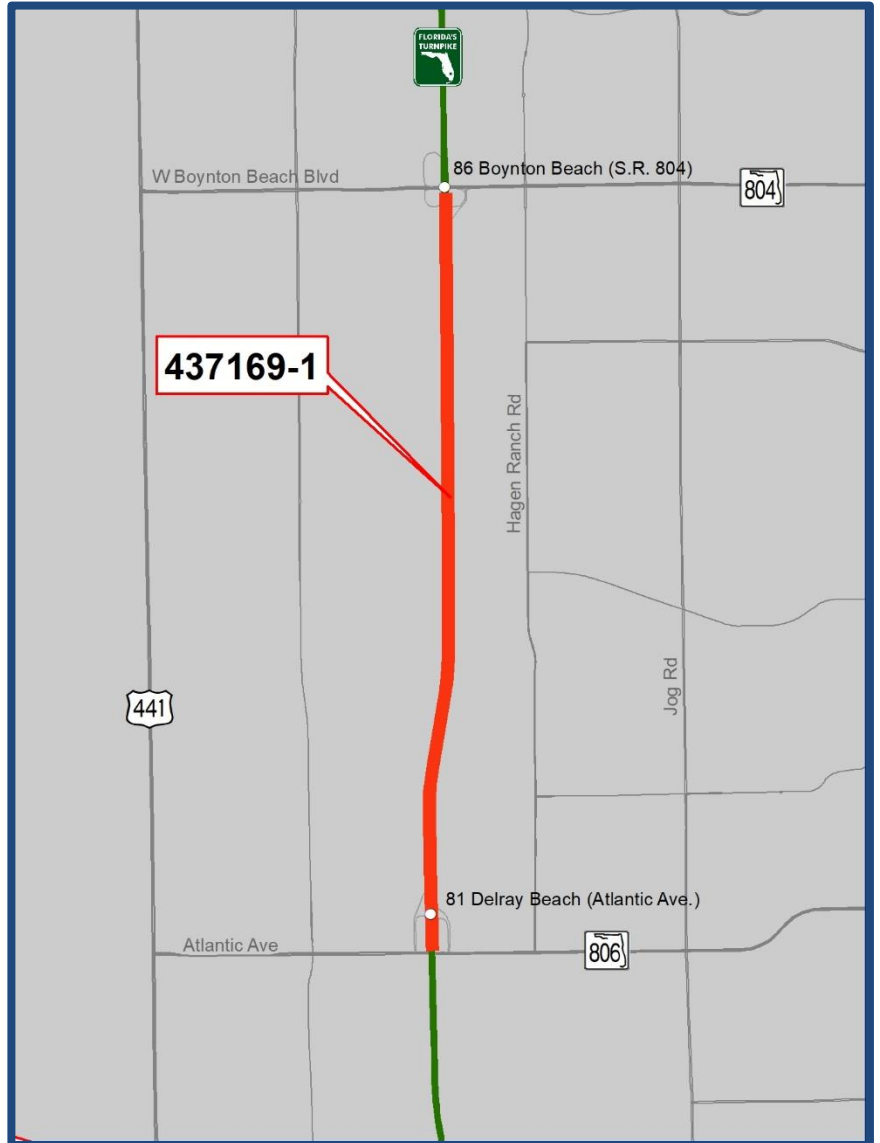

The project widens a five-mile segment of the Turnpike / SR 91 between Atlantic Avenue and Boynton Beach Boulevard. This widening will increase the number of travel lanes from six to ten: two express lanes and three general toll lanes in each direction. This project includes pavement reconstruction, milling, resurfacing, bridge improvements, stormwater drainage improvements and noise walls in qualifying areas.

Project Status

This project is in Design.

Environmental work is funded in Fiscal Year 2023.

Construction is not funded.
