

Florida's Turnpike/SR 91

Truck Parking at West Palm Beach Service Plaza

FPID: 442625-1

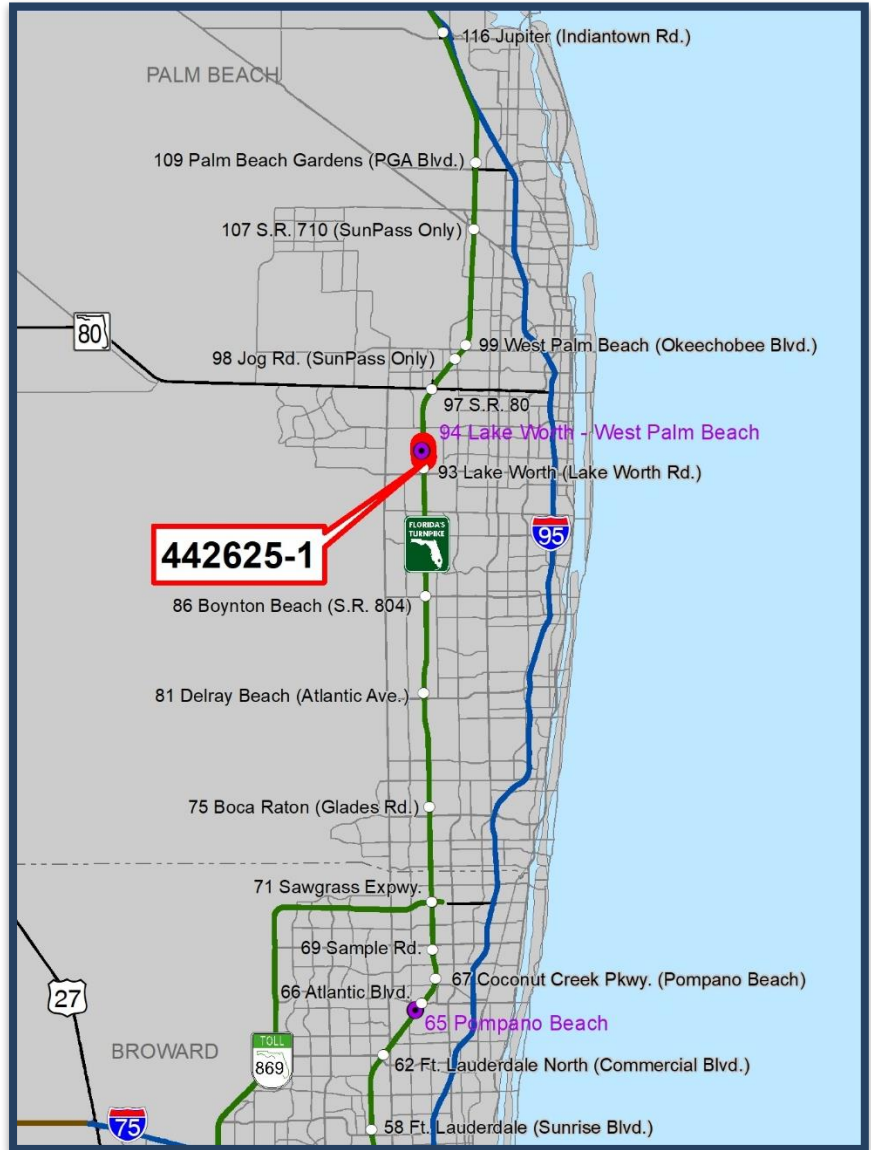

Description

The project expands truck parking at the West Palm Beach Service Plaza, and installs a truck parking availability system to track and post the number of available stalls. Work includes concrete pavement design, potential Turnpike Mainline / SR 91 off-ramp widening, pond reconstruction, roadside ditch reconstruction, and lighting improvements at the plaza.

Project Status

Design is funded in Fiscal Year 2020.

Construction is funded in Fiscal Year 2023.
