

Central Florida Dynamic Message Sign (DMS) Improvement and Replacement Project

Project Description

Florida's Turnpike Enterprise (FTE) is currently replacing and improving Dynamic Message Signs (DMS) in six Central Florida counties. The project consists of installing DMS in the following areas:

- Orange County
- Osceola County
- Seminole County
- Polk County
- Pasco County
- Hernando County

Construction and Traffic Impacts

Construction will take place during both daytime and nighttime hours. Nearby residents and businesses may experience periodic construction noise, vibration, and dust. FTE takes steps to reduce construction impacts and efforts will be made to limit traffic and noise disruptions.

Lane closures will generally take place during off peak hours to minimize traffic congestion and delays for most drivers. Closures will be announced in advance in the Central and West Central Florida Weekly Lane Closures and Work Zone Advisory.

Schedule and Funding

Construction Schedule

Work is anticipated to be completed in May 2020.

Cost and Funding

The project cost is approximately \$3.9 million.
