

# Turnpike Mainline (SR 91) Add Lanes from Palm Beach County to North of Glades Road FPID: 418214-5

## Project Description

This project adds/extends the northbound and southbound travel through lanes to the Turnpike Mainline (SR 91) from the Palm Beach County line to north of Glades Road / SR 808. This is a Transportation Systems Management and Operations (TSM&O) Project.

This project goes with a widening project (FPID 418214-1), to increase the number of tolled lanes from six to ten with one managed lane in each direction.

## Project Status

The TSM&O Project is funded for Design in Fiscal Year 2021, with Construction funded in Fiscal Year 2024.

The widening project is in Design that will only progress to Phase I to support the TSM&O Project that will be constructed first.

Construction for the widening project is not funded.
