

## Turnpike Mainline (SR 91) Interchange at Sand Lake Road/SR 482 FPID: 433663-1

### Project Description

This new interchange on the Turnpike Mainline (SR 91) at Sand Lake Road / SR 482 will provide full access to/ from the northbound and southbound directions along Florida's Turnpike. Tolls will be collected on both the southbound off-ramp and northbound on-ramp.

This new interchange will enhance connectivity, provide long-term mobility options and address future traffic needs, enhance access for emergency responders and during hurricane evacuations, improves the Presidents Drive intersection, and provides new sidewalks from John Young Parkway to Presidents Drive.

### Project Status

This project is currently in Design.

This project is scheduled for Construction in Fiscal Year 2022.
