

Widen Turnpike Mainline (SR 91) from Clermont/SR 50 to Lake/Orange County Line FPID: 435784-1

Project Description

This project widens a one-mile segment of Turnpike Mainline (SR 91) from the Clermont/SR 50 interchange to the Orange/Lake County Line. This widening will increase the number of travel lanes from four to eight.

Work includes pavement widening, milling and resurfacing, maintenance of traffic plan, drainage improvements, utility coordination, environmental and permitting, the replacement of bridge structures at three locations along with miscellaneous structures, signing, pavement marking improvements, lighting, intelligent traffic systems (ITS), surveying, and right-of-way acquisition.

Project Status

This project is currently in Design.

Construction is funded in Fiscal Year 2021.
