

Widen Turnpike Mainline (SR 91) from Neptune Road to Osceola Parkway FPID: 436194-1

Project Description

This project widens a 7-mile section of Turnpike Mainline (SR 91) from Neptune Road to just north of the Osceola Parkway. This widening will increase the number of travel lanes from four to eight.

Work includes pavement milling and resurfacing, bridge reconstruction, and roadside safety enhancements.
