

Widen Turnpike Mainline (SR 821) From South of Palm Drive to Campbell Drive FPID: 439545-2

Project Description

This project is to widen the Turnpike Mainline (SR 821) from south of Palm Drive / SW 344th Street to Campbell Drive / NW 8th Street. This project will evaluate capacity and interchange improvements that will include new limited access lanes and modifications to existing interchanges.

A Project, Development and Environment Study (PD&E) is currently underway for this project. For more information, visit www.turnpikesouthmiamidade.com

Project Status

Design for this project is funded in Fiscal Year 2023.

Construction is not funded.
