

Polk Parkway/SR 570 Convert to All-Electronic Toll Collection FPID: 440857-1

Project Description

This project will implement All Electronic Toll (AET) collection to convert an 18-mile portion of the Polk Parkway from I-4 to Old Dixie Highway/CR 546 to cashless.

This project includes converting the ramp toll plazas to AET through the existing toll plazas at eight different interchanges, removing the ramp toll plaza at the SR 540 interchange, converting two mainline toll plazas to AET, and constructing a new AET mainline toll site north of the SR 540 interchange. Project also includes advance guide signing along I-4.

Project Status

This project is in Design.

Construction is funded in Fiscal Year 2021.
