

Central Polk Parkway New Facility from US 17/SR 35 to SR 60 FPID: 440897-3,-4

Project Description

This project is a Project Development and Environment (PD&E) Study for a new limited access toll facility linking the Central Polk Parkway at US 17 to SR 60.

This four-lane, limited access toll facility will provide better direct access to Polk Parkway and Interstate 4, reduce freight traffic into Bartow and improve truck travel time, enhance safety by separating regional through-traffic from local traffic, provide regional connectivity on existing roads, and foster economic development with the Central Florida Intermodal Logistics Center in Winter Haven.

Project Status

This project will begin Design in November 2020.

Right-of-Way and Railroad & Utilities are funded beginning in Fiscal Year 2023.

Environmental is funded in Fiscal Year 2024.

Construction is funded in Fiscal Year 2025.
