

# Turnpike Mainline/SR 91 Truck Parking at Canoe Creek Service Plaza FPID: 443879-1

## Project Description

The project expands truck parking at the Canoe Creek Service Plaza. In addition, the project will add passenger parking spaces near the Service Plaza.

Work includes concrete pavement, potential Turnpike Mainline (SR 91) plaza ramp improvements, pond and ditch reconstruction, and lighting upgrades at the plaza.

## Project Status

This project is in Design.

Utilities and Construction are funded in Fiscal Year 2023.
