

CR 486

An aerial photograph of a landscape, possibly a park or undeveloped land, with a large, semi-transparent red word 'CHANGE' overlaid across the center. In the upper right corner, there is a technical drawing or map overlay showing a road layout with various colored lines (blue, yellow, green, red) and labels such as '0.6C/F', '0.6C/F', '0.6C/F', and '0.6C/F'. The drawing appears to be a site plan or a road design. The overall image has a high-contrast, graphic quality.
