

All-Electronic Tolling (AET) Northern Coin Conversion Project on Florida's Turnpike from Kissimmee Park Road to Interstate 75

Project Description

Florida's Turnpike Enterprise is converting this section of the Mainline to All-Electronic Tolling (AET). This project covers 70 miles of the Turnpike from mileposts 239 (south of Kissimmee Park Road) to I-75. This project includes:

- Milling and resurfacing
- Minor road widening
- Lighting, highway signage, and guardrail improvements
- Toll Facilities construction

Construction and Traffic Impacts

Construction will take place during both daytime and night-time hours. Lane closures will generally take place during off-peak hours to minimize traffic congestion and delays for most drivers. Efforts will be made to limit traffic and noise disruptions, but lane closures, ramp closures and detours will be necessary to accomplish the improvements.

Closures will be announced in advance in Florida's Turnpike weekly traffic advisory.

Schedule and Funding

Construction Schedule

Work is anticipated to be completed in 2021.

Cost and Funding

The project cost is approximately \$26.6 million.
